PROFILE

A 20-year-old Computer Science Engineering student at Akdeniz University, proficient in Java, Python, Solidity, Kotlin, and JavaScript. Fluent in English and interested in Data Science, Machine Learning, and Front-End Development. Known for being easy to get along with and a hard worker, with a strong aspiration to pursue a career in academia.

EDUCATIONAL BACKGROUND

Akdeniz University | Antalya, Turkey

2022 – Present

Faculty of Engineering

B.Sc, Computer Science Engineering (English)

Expected Rank: 3rd among the same year graduate students

Current CGPA: 3.87/4.0

WORK EXPERIENCE

GTSFly | Antalya, Turkey

2024 – 2024

Intern

- During my internship at GTSFly, a Germany-based firm with a development team in Antalya, I worked on the admin page of their platform. Our primary focus was on building key components using the Vue.js framework. This experience allowed me to deepen my skills in front-end development and contribute to a significant project.

SOCIAL ACTIVITIES & VOLUNTEERING

Best Buddies | Istanbul, Turkey

2018 – 2021

Attendee

- We worked as a participant at the Best Buddies organization, where we had the opportunity to engage with individuals who have Down syndrome and developed meaningful friendships with them.

Google Student Developer Club Akdeniz | Antalya, Turkey

2022 – 2022

Attendee

- I am an enthusiastic member of the GDSC Akdeniz society and actively participate in their activities.

IEEE Akdeniz Student Branch | Antalya, Turkey

2023 – 2023

Blockchain Community - Chair

- I am an administrative board member of the IEEE Akdeniz Student Branch where we have actively 2600+ members. Other than that, I am currently the chair of the Blockchain Community where we give webinars, seminars, and lectures to give students the love of Blockchain technology while informing them.

ACHIEVEMENTS

- IEEE Akdeniz Student Branch Chair of Blockchain
- İş Hayatı 101 Participant (Prestigious program that's held by ASELSAN)
- Savunma Sanayi 101 Participant (Prestigious program that's held by the Ministry Of Defence)
